"There are few earthly things more splendid than a University"

"In these days of broken frontiers and collapsing values when the dams are down and the floods are making misery, when every future looks somewhat grim and every ancient foothold has become something of a quagmire. Wherever a University stands it stands and shines: wherever it exists, the free minds of men, urged on to full and fair inquiry, may still bring wisdom into human affairs."

John Masefield
The USIU Alma Mater

Oh! USIU of Africa,
Our Alma Mater dear.
We'll crown Thee fairest Mater
Our School we love so dear.
For Thee we'll ever labor,
To keep Thee on thy throne.
Oh, USIU of Africa,
Thy reigneth alone.

Oh! USIU of Africa,
Our Alma Mater dear.
We'll cherish all thy precepts,
And serve Thee far and near.
We'll carry high your banner,
Your torch will ever burn.
Oh USIU of Africa,
We love you our own.
Mother Africa
Vision and Mission

Vision: United States International University will be the premier institution of academic excellence with a global perspective in East Africa.

Mission: To promote the discovery and application of knowledge, the acquisition of skills, and the development of intellect and character in a manner that prepares students to contribute effectively and ethically as citizens of a changing and increasingly technological world.

Accreditation

The United States International University is chartered by the Commission for Higher Education (CHE) in Kenya and regionally accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges (WASC) in USA. WASC is recognized by the United States Department of Education.

The award of the Kenyan charter in 1999 was a confirmation that the university had met the requirements of higher education in Kenya.

The dual accreditation enhances the quality of programs offered and improves the marketability of students as the degrees offered are accepted worldwide.

Academic Programs and Faculty

USIU is a private non-profit accredited educational institution. The university offers undergraduate degrees in International Relations, Journalism, Psychology, Business Administration, Accounting, Hotel and Restaurant Management, Information Systems and Technology, International Business Administration and Tourism Management. The graduate degrees offered include a Master of Arts in Counseling Psychology, Master of Arts in International Relations, Master of Science in Business Administration and a Master of Science in Management and Organizational Development.

The full-time resident faculty is augmented by visiting professors and academically qualified adjunct faculty from international agencies, professional centers, and institutions in the Nairobi community.

A COMMENCEMENT is an auspicious and memorable occasion, especially for the graduates and their parents. At United States International University, we are proud to be able to offer the opportunity of a college education to worthy aspiring students who often overcome great hardships to pursue their goals. The members of the faculty and staff of USIU wish to extend to you, the graduates our heartiest congratulations and our warmest wishes for a future that is all you desire.
